

### REMARKS

The Notice of Allowance for the above-identified application was issued on July 12, 2010. The Issue Fee has not been paid.

By this Amendment After Allowance, Applicant has amended claim 20 in order to correct typographical errors of a minor, non-substantive nature that were included in the Examiner's Amendment issued along with the Notice of Allowance. The scope of the claims has not been altered by these amendments, and thus, these amendments do not require an additional search or examination. Further, the claims are allowable for at least the reasons indicated in Applicant's Amendment filed April 20, 2010, and the Examiner's statement of reasons for allowance, except as indicated in the Comments on Statement of Reasons for Allowance filed concurrently herewith. These amendments could not have been made prior to issuance of the Notice of Allowance because the typographical errors being corrected by the amendments were added to claim 20 via the Examiner's Amendment. These amendments are fully supported by the originally-filed specification and do not add new matter, do not require an additional search, and do not raise new issues.

For the above-outlined reasons, Applicant respectfully requests consideration and entry of the amendments to claim 20.

If the Examiner believes that a telephone conversation might be advisable, the Examiner is cordially invited to call Applicant's undersigned attorney at (404) 653-6559.

Please grant any extensions of time required to enter this Amendment After Allowance and charge any additional required fees to our Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
